

**CANDIDATE FOR DIRECTOR  
INDIAN WELLS VALLEY WATER DISTRICT**

**NAME: HAROLD W. MANNING**

**AGE: 54**

**OCCUPATION: Certified Public Accountant**

I have been a Certified Public Accountant for 32 years. My profession provides me with a financial and ethical background that allows me to assist in managing the district's 48 million in assets and 7 million in annual revenues. Besides being on the Water Board, I prepare the financial statements for two other Water Districts and perform the audit of another. This gives me additional insight into the management of water Districts. Future items being addressed by the Water District includes arsenic Removal, possible brackish WATER TREATMENT and securing future sources of supply. I have the financial experience to analyze the alternatives. My goal is to insure that there is the best quality water at the best possible price. I have enjoyed being on the Board and would be proud to serve on it again.
